

Resume: Margo Covington

SUSTAINABLE COMMUNITIES - EXECUTIVE DIRECTOR - 2009 to present

□ *Waste-As-Value Links (WAV-Links) Project*

We are a hub that identifies and links resources and needs in order to foster bioregional collaboration and economic development by finding value in local and regional waste streams. We identify, connect and develop symbiotic technological, entrepreneurial, market, educational and advocacy resources needed by local businesses and communities to launch successful waste-as-value projects. These innovative ventures create new jobs in a context of sustainable growth, increasing community self-reliance as the benefits are shared by the bioregion's economies. Sustainable Communities / ZERI – NM, Inc. – a NM 501 (c) 3 non-profit

EDUCATION / TOOLS:

Utilizing internationally recognized tools in unique ways, I assist business or organization to address “stick” motivators like increasing regulations, increasing insurance costs, increasing cost of goods by incorporating “carrot” motivated approaches. In a time when groups of all kinds are challenged by rapid change and challenging economies these highly leveraged and effective tools and approaches provide cost-effective solutions.
